

Joe Diffie to headline 31st annual festival

Multi-platinum country artist Joe Diffie will headline this year's Catfish Festival! With 12 number one hits, Diffie dominated the charts during a hot streak in the 90s and, with the release of Jason Aldean's hit "1994," the legendary singer found himself squarely back in the hearts and minds of country fans.

"He may have been absent from the radio charts for a few years," Festival entertainment director Nathan Roberts said, "but Joe-Joe-Joe Diffie has never slowed down – writing, touring and recording. He's going to put on a great show for us and we're excited to have him."

With chart-toppers like "Pickup Man," "Third Rock From the Sun," and "John Deere Green," and 13 albums and over 20 Top 10 singles to his credit, Joe has little to prove at this point in his career, yet he still has a fire in his belly to make good country music.

He's promises to bring that to the Catfish Festival!
