

Robert Finley and the Platinum Band!

Winnsboro's own Robert Finley is a blues and soul singer, songwriter and guitarist, and recently was a semi-finalist on the hit TV show 'America's Got Talent'.

On that show last July, Finley nailed his original song, "Get It While You Can", for the four AGT judges. Robert will put on a great show for his friends and fans in Winnsboro, and looks forward to renewing many old acquaintances.

Catch his act on the Old Glory Stage starting at noon!

Creedence Revived

Creedence Revived has rapidly become one of the most highly sought after tribute bands in the world. Playing all over the globe for crowds upwards of 30,000, and as they sell out shows everywhere they go, this group has become one of the best.

Lead vocalist Rich Perez says it the best: "We play tribute. We play the music as if we wrote it. We perform as if we were the original band. CCR is legendary."

He's right. They are, and we're excited about having these guys this year!

David & The Giants

David and the Giants began as a rock band in Laurel, MS in the 1960s. In the late 70s their music changed to Christian and they continue to have a huge following. Check out their drummer sometime....
